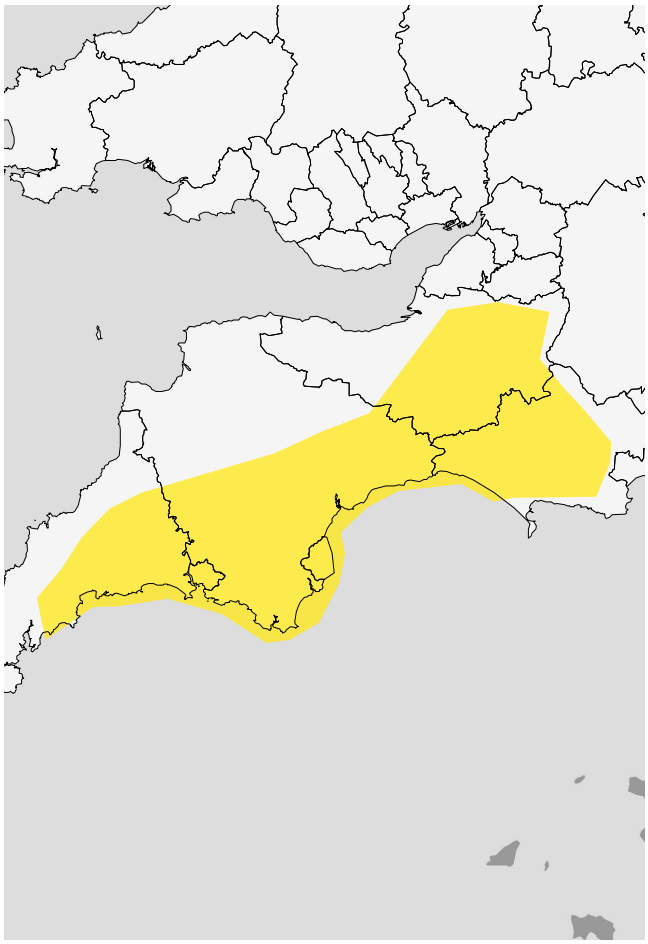
Yellow warning
Rain

Between
00:00 Thu 7 Dec 2023 and
15:00 Thu 7 Dec 2023



Heavy rain is likely to bring some travel disruption and flooding in places on Thursday.

What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities will become cut off by flooded roads

Further details

Rain is expected to arrive during Wednesday evening and then turn persistent and heavier overnight and into Thursday. Before the rain eases and clears during Thursday afternoon, 20-40 mm of rain is likely to fall widely with peaks of 50-80 mm over hills. The rain will be accompanied by strong south to southeasterly winds.

What should I do?

Check if your property could be at risk of flooding.

Very low likelihood of medium impacts

00:00 Thu 7 Dec 2023 and
15:00 Thu 7 Dec 2023

Further Details (continued)

If so, consider preparing a flood plan and an emergency flood kit.

Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and train timetables, amending your travel plans if necessary.

Be prepared for weather warnings to change quickly: when a weather warning is issued, the Met Office recommends staying up to date with the weather forecast in your area.
